Order, which provides separate procedures for the payment of such fees and expenses. Furthermore, no fees or expenses sought by this Application have been sought to be paid under the Notice and Claims Agent Order.

### **Summary of Services Rendered**

**Stretto's Requested Compensation Should Be Allowed**

21. Section 331 of the Bankruptcy Code provides for compensation of professionals and incorporates the substantive standards of section 330 of the Bankruptcy Code to govern the Court's award of such compensation. Section 330 of the Bankruptcy Code provides that a court may award a professional employed under section 327 of the Bankruptcy Code "reasonable compensation for actual, necessary services rendered . . . and reimbursement for actual, necessary expenses." 11 U.S.C. § 330(a)(1). Section 330 of the Bankruptcy Code also sets forth the criteria for the award of such compensation and reimbursement:

In determining the amount of reasonable compensation to be awarded, the court should consider the nature, extent, and the value of such services, taking into account all relevant factors, including

- (a) the time spent on such services;
- (b) the rates charged for such services;
- (c) whether the services were necessary to the administration of, or beneficial at the time at which the service was rendered toward the completion of, a case under this title;
- (d) whether the services were performed within a reasonable amount of time commensurate with the complexity, importance, and nature of the problem, issue, or task addressed;
- (e) with respect to a professional person, whether the person is board certified or otherwise has demonstrated skill and experience in the bankruptcy field; and
- (f) whether the compensation is reasonable based on the customary compensation charged by comparably skilled practitioners in cases other than cases under this title.

11 U.S.C. § 330(a)(3).

22. Stretto respectfully submits that the compensation sought herein by Stretto is reasonable, necessary, and appropriate given the complexity of these chapter 11 cases, the issues

involved, the time expended, the rates charged for such services, the nature and extent of services provided, and the cost of comparable services outside of bankruptcy.

23. As demonstrated in this Application and the exhibits hereto, Stretto's services were performed timely, efficiently, and effectively and without unnecessary duplication. In addition, the requisite work was carefully assigned to appropriate professionals according to the experience and level of expertise required for each particular task. Further, this Application has been prepared in accordance with the Bankruptcy Code, the Bankruptcy Rules, the Local Rules and the Fee Guidelines.

24. **Exhibit B** hereto: (a) identifies the individuals that rendered services; (b) describes each activity or service that each individual performed; and (c) states the number of hours (in increments of tenths of an hour) spent by each individual providing the services. Stretto believes that the time entries set forth on **Exhibit B** complies with the requirements of Local Bankruptcy Rule 2016-1 and the Fee Guidelines.

25. Accordingly, Stretto respectfully requests approval of the compensation sought herein.

#### **Certification of Compliance and Waiver**

26. The undersigned has reviewed the requirements of Local Rule 2016-1 and believes that this Application substantially complies therewith. To the extent that this Application does not comply in all respects with the requirements of Local Rule 2016-1, Stretto believes that such deviations are not material and respectfully requests that any such requirements be waived.

**Notice**

27. Stretto will provide notice of this Application in accordance with the Amended Interim Compensation Order. A copy of this Application is also available on the website of the Debtors' claims, noticing, and solicitation agent at <https://cases.stretto.com/Celsius>. Stretto submits that no other or further notice be given.

**WHEREFORE**, Stretto respectfully requests entry of an order (i) allowing on a final basis \$69,790.32 for the reasonable and necessary professional administrative services that Stretto rendered to the Debtors during the Final Fee Period; and (ii) directing payment in the amount of \$69,790.32, which is equal to 100% of the total amount of compensation sought for reasonable and necessary legal services that Stretto rendered to the Debtors during the Final Fee Period.
